

# California OES Weather Threat Briefing

Wednesday, March 31, 2021  
9:00 AM PST

**Day 1 (Wednesday):** Elevated fire weather conditions continue again today over the southern California mountains and foothills with gusty conditions and low humidity expected

National Weather Service  
Western Region Headquarters  
Regional Operations Center  
Salt Lake City, UT

# **WEATHER KEY POINTS**

**03/31/21 - 04/06/21**

## **Wednesday-Tuesday**

- Elevated fire weather conditions continue today across the southern California mountains and foothills due to gusty winds, low humidity, and ongoing very dry weather
- Gusty winds and elevated fire weather concerns may return this weekend over southern California, with much lighter winds expected Thursday and Friday
- Warm and dry conditions statewide through the weekend, with the next chance for precipitation arriving early next week
